VENUE

The Annual General Meeting of the Shareholders of Jacka Resources Limited to which this Notice of Meeting relates will be held at 11:00am (WST) on Monday, 26 November 2018 at:

“Mining Corporate Boardroom”
Level 11, 216 St Georges Terrace
Perth WA 6000

YOUR VOTE IS IMPORTANT

The business of the Annual General Meeting may affect your shareholding and your vote is important.

VOTING ELIGIBILITY

The Directors have determined pursuant to Regulation 7.11.37 of the Corporations Regulations 2001 (Cth) that the persons eligible to vote at the Meeting are those who are registered Shareholders at 11:00am (WST) on 24 November 2018.

VOTING IN PERSON

To vote in person, attend the Annual General Meeting on the date and at the place set out above.

VOTING BY PROXY

To vote by proxy, please complete and sign the enclosed Proxy Form and return by the time and in accordance with the instructions set out on the Proxy Form.

In accordance with section 249L of the Corporations Act, members are advised that:

- each member has a right to appoint a proxy;
- the proxy need not be a member of the Company; and
- a member who is entitled to cast 2 or more votes may appoint 2 proxies and may specify the proportion or number of votes each proxy is appointed to exercise. If the member appoints 2 proxies and the appointment does not specify the proportion or number of the member's votes, then in accordance with section 249X(3) of the Corporations Act, each proxy may exercise one-half of the votes.

Shareholders and their proxies should be aware of that changes to the Corporations Act made in 2011 mean that:

- if proxy holders vote, they must cast all 'directed' proxies as directed; and
- any directed proxies which are not voted will automatically default to the Chair, who must vote the proxies as directed.

Further details on these changes are set out below.

Proxy vote if appointment specifies way to vote

Section 250BB(1) of the Corporations Act provides that an appointment of a proxy may specify the way the proxy is to vote on a particular resolution. If it **does**:

- the proxy need not vote on a show of hands, but if the proxy does so, the proxy must vote that way (i.e. as directed); and
- if the proxy has 2 or more appointments that specify different ways to vote on the resolution – the proxy must not vote on a show of hands; and
- if the proxy is the chairman of the meeting at which the resolution is voted on – the proxy must vote on a poll, and must vote that way (i.e. as directed); and
- if the proxy is not the chairman – the proxy need not vote on the poll, but if the proxy does so, the proxy must vote that way (i.e. as directed).

Transfer of non-chairman proxy to chairman in certain circumstances

Section 250BC of the Corporations Act provides that if:

- an appointment of a proxy specifies the way the proxy is to vote on a particular resolution at a meeting of the Company's members; and
- the appointed proxy is not the chairman of the meeting; and
- at the meeting, a poll is duly demanded on the resolution; and
- either of the following applies:
 - the proxy is not recorded as attending the meeting; or
 - the proxy does not vote on the resolution,

the chairman of the meeting is taken, before voting on the resolution closes, to have been appointed as the proxy for the purposes of voting on the resolution at the meeting.

NOTICE OF ANNUAL GENERAL MEETING

The Explanatory Statement to this Notice of Meeting provides additional information on matters to be considered at the Annual General Meeting. The Explanatory Statement and the proxy form are part of this Notice of Meeting.

The Directors have determined pursuant to Regulation 7.11.37 of the Corporations Regulations 2001 (Cth) that the persons eligible to vote at the Annual General Meeting are those who are registered Shareholders at 11:00am (WST) on 24 November 2018.

Terms and abbreviations used in this Notice of Meeting and Explanatory Statement are defined in the Glossary.

5. RESOLUTION 5 – APPROVAL FOR ADDITIONAL PLACEMENT CAPACITY

To consider, and if thought fit to pass, the following resolution as a **special resolution**:

“That, for the purposes of ASX Listing Rule 7.1A and for all other purposes, approval is given for the Company to issue up to that number of Equity Securities equal to 10% of the issued capital of the Company at the time of issue, calculated in accordance with the formula prescribed in Listing Rule 7.1A.2 and on the terms and conditions set out in the Explanatory Statement.”

Voting Exclusion: The Company will disregard any votes cast on this Resolution by any person who may participate in the issue of Equity Securities under this Resolution and any person who might obtain a benefit, except a benefit solely in the capacity of a holder of ordinary securities, from the passing of this Resolution and any associates of those persons.

However, the Company need not disregard a vote if:

- (b) it is cast by the Chairman as proxy for a person who is entitled to vote, in accordance with a direction on the Proxy Form to vote as the proxy decides.

BY ORDER OF THE BOARD

**STEPHEN BROCKHURST
COMPANY SECRETARY
JACKA RESOURCES LIMITED**

EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the resolutions in the Notice of Meeting.

1. FINANCIAL STATEMENTS

In accordance with the Constitution, the business of the Annual General Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2018 together with the declaration of the directors, the directors' report, the Remuneration Report and the auditor's report.

The audited financial statements for the year ended 30 June 2018 included a material uncertainty in the audit report. The basis for the audit opinion was the material uncertainty regarding the Company's ability to continue as a going concern. Please refer to the annual report for the year ended 30 June 2018 for further details.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on its website at www.jackaresources.com.au.

2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

2.1 General

The Corporations Act requires that at a listed company's annual general meeting a resolution that the remuneration report be adopted must be put to shareholders. However, such a resolution is advisory only and does not bind the company or directors of the company.

The Remuneration Report sets out the Company's remuneration arrangements for the Directors and senior management of the Company. The Remuneration Report is part of the Directors' Report contained in the annual financial report of the Company for the financial year ending 30 June 2018.

A reasonable opportunity will be provided for discussion of the Remuneration Report at the Annual General Meeting.

2.2 Voting consequences

If, at consecutive annual general meetings, at least 25% of the votes cast on a Remuneration Report resolution are voted against adoption of the Remuneration Report, then the Company will be required to put to Shareholders at the second annual general meeting a resolution (**Spill Resolution**) to convene another general meeting (**Spill Meeting**). If more than 50% of Shareholders vote in favour of the Spill Resolution, the Company must convene the Spill Meeting within 90 days of the second annual general meeting.

All of the Directors who were in office when the Directors' Report (as included in the Company's annual financial report for the most recent financial year) was approved, other than the managing director of the Company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting. Following the Spill Meeting those persons whose election or re-election as Directors of the Company is approved will be the Directors of the Company.

2.3 Previous voting results

At the Company's last annual general meeting the votes cast against the resolution to adopt the remuneration report were less than 25%. Accordingly, a Spill Resolution is not relevant for this Annual General Meeting.

3. RESOLUTION 2 – RE-ELECTION OF DIRECTOR – MR NEIL FEARIS

3.1 General

The Constitution sets out the requirements for determining which Directors are to retire by rotation at an annual general meeting.

Mr Neil Fearis, who has served as a Director since 8 September 2014, retires by rotation and seeks re-election at this Annual General Meeting.

3.2 Qualifications and other material directorships

Mr Fearis is a leading corporate and commercial lawyer in Western Australia specialising in mergers and acquisitions, capital raisings and corporate reconstructions, with a particular focus on the mining and resources sector. He has been in practice for more than 40 years and worked as a commercial lawyer in London, Sydney and Perth. Mr Fearis has been a director of a number of ASX and TSX-listed companies, primarily though not exclusively in the resources sector.

Further details regarding Mr Fearis are set out in the Company's 2018 Annual Report.

3.3 Independence

If re-elected, the Board considers Mr Fearis will be an independent director.

3.4 Board Recommendation

The Board supports the re-election of Mr Fearis and recommends that Shareholders vote in favour of this Resolution.

4. RESOLUTION 3 – ELECTION OF DIRECTOR – MR BEVAN TARRATT

4.1 General

Under Clause 11.10 of the Constitution, the Directors may at any time appoint any person to be a Director. Pursuant to this provision, Mr Bevan Tarratt was appointed as a Director on 12 August 2018 to fill a casual vacancy.

In accordance with Clause 11.11 of the Constitution, Mr Tarratt holds office until the next annual general meeting of the Company and is then eligible for re-election. Mr Tarratt seeks re-election at this Annual General Meeting.

4.2 Qualifications and other material directorships

Mr Tarratt has experience in the corporate and financial services industries having worked in accounting and corporate stock broking firms for the past 15 years. Mr Tarratt has significant experience in the recapitalisation, restructuring and acquisition of assets for a number of ASX companies and was formerly a Client Advisor at Patersons Securities Limited and a partner of a venture capital firm.

Further details regarding Mr Tarratt are set out in the Company's 2018 Annual Report.

4.3 Board Recommendation

The Board supports the re-election of Mr Tarratt and recommends that Shareholders vote in favour of this Resolution.

5. RESOLUTION 4 – RATIFICATION OF PRIOR ISSUE OF OPTIONS

5.1 Introduction

On 23 May 2018 the Company issued a total of 20,000,000 Options to the underwriter of the non-renounceable entitlement offer announced by the Company on 26 April 2018 (**Offer**).

The Company issued the securities pursuant to the Company's 15% annual placement capacity under ASX Listing Rule 7.1.

5.2 Background

This Resolution seeks Shareholder ratification pursuant to ASX Listing Rule 7.4 for the issue of 20,000,000 Options issued without Shareholder approval pursuant to the Company's 15% annual placement capacity under ASX Listing Rule 7.1.

ASX Listing Rule 7.1 provides that a company must not, subject to specified exceptions, issue or agree to issue more Equity Securities (including options) during any 12 month period than that amount which represents 15% of the number of Equity Securities on issue at the commencement of that 12 month period.

ASX Listing Rule 7.4 sets out an exception to ASX Listing Rule 7.1. It provides that where a company in general meeting ratifies a previous issue of securities made pursuant to ASX Listing Rule 7.1 (and provided that the previous issue did not breach ASX Listing Rule 7.1), those securities will be deemed to have been made with shareholder approval for the purposes of ASX Listing Rule 7.1.

By ratifying the issue of the Options the subject of this Resolution, the Company will retain the flexibility to issue Equity Securities in the future of up to the 15% annual placement capacity set out in ASX Listing Rule 7.1 without the requirement to obtain prior Shareholder approval.

5.3 Technical information required by ASX Listing Rule 7.4

Pursuant to and in accordance with ASX Listing Rule 7.5, the following information is provided in relation to Resolution 4:

- (a) 20,000,000 Options were issued pursuant to ASX Listing Rule 7.1;
- (b) the Options were issued as part consideration for underwriting services provided in connection with the Offer;
- (c) the Options were issued to Patersons Securities Limited (or its nominee), which is not a related party of the Company;
- (d) the Options are quoted on ASX (although that quotation is currently suspended), and the terms of issue are set out in Annexure A; and
- (e) no funds were raised from the issue of Options as they represent part consideration for underwriting services.

5.4 Directors' Recommendation

None of the Directors has a material personal interest in the subject matter of Resolution 4. The Board believes that the ratification of the issue of Options the subject of this Resolution is beneficial for the Company. The Board recommends Shareholders vote in favour of this Resolution as it provides the Company with the flexibility to issue further Equity Securities representing up to 15% of the Company's share capital during the next 12 months without prior Shareholder approval.

6. RESOLUTION 5 – APPROVAL FOR ADDITIONAL PLACEMENT CAPACITY

6.1 General

ASX Listing Rule 7.1A provides that an Eligible Entity may seek shareholder approval by special resolution passed at an annual general meeting to have the capacity to issue up to that number of Equity Securities equal to 10% of its issued capital (**10% Placement Capacity**) without using the entity's existing 15% annual placement capacity granted under ASX Listing Rule 7.1.

The Company is an "Eligible Entity" for this purpose (see below).

If Shareholders approve Resolution 5, the number of Equity Securities the Company may issue under the 10% Placement Capacity will be determined in accordance with the formula prescribed in ASX Listing Rule 7.1A.2.

The effect of this Resolution will be to allow the Directors to issue Equity Securities up to 10% of the Company's fully paid ordinary securities on issue under the 10% Placement Capacity during the period up to 12 months after the Meeting, without subsequent Shareholder approval and without using the Company's 15% annual placement capacity granted under Listing Rule 7.1.

This Resolution is a special resolution. Accordingly, at least 75% of votes cast by Shareholders present and eligible to vote at the Meeting must be in favour of Resolution 3 for it to be passed.

6.2 ASX Listing Rule 7.1A

ASX Listing Rule 7.1A enables an Eligible Entity to seek shareholder approval at its annual general meeting to issue Equity Securities in addition to those under the Eligible Entity's 15% annual placement capacity.

An "Eligible Entity" is one that, as at the date of the relevant annual general meeting:

- (a) is not included in the S&P/ASX 300 Index; and
- (b) has a maximum market capitalisation (excluding restricted securities and securities quoted on a deferred settlement basis) of \$300,000,000.

As at the date of this Notice, the Company is an Eligible Entity as it is not included in the S&P/ASX 300 Index and has a current market capitalisation of less than \$300,000,000.

Any Equity Securities issued under the 10% Placement Capacity must be in the same class as an existing class of quoted Equity Securities.

As at the date of this Notice, the Company currently has two classes of quoted Equity Securities on issue, being the Shares (ASX:JKA) and Options (ASX:JKAOC).

6.3 Technical information required by ASX Listing Rule 7.1A

Pursuant to and in accordance with ASX Listing Rule 7.3A, the information below is provided in relation to this Resolution:

(a) **Minimum Price**

The minimum price at which the Equity Securities may be issued is 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 ASX trading days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
- (ii) if the Equity Securities are not issued within 5 ASX trading days after the date in paragraph 6.3(a)(i), the date on which the Equity Securities are issued.

(b) **Date of Issue**

The Equity Securities may be issued under the 10% Placement Capacity commencing on the date of the Annual General Meeting and expiring on the first to occur of the following:

- (i) 12 months after the date of the Annual General Meeting; and
- (ii) the date of approval by Shareholders of any transaction under ASX Listing Rules 11.1.2 (a significant change to the nature or scale of the Company's activities) or 11.2 (disposal of the Company's main undertaking) (after which date, an approval under Listing Rule 7.1A ceases to be valid),

(10% Placement Capacity Period).

(c) **Risk of voting dilution**

Any issue of Equity Securities under the 10% Placement Capacity will dilute the interests of Shareholders who do not receive any Equity Securities under the issue.

If this Resolution is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 10% Placement Capacity, the dilution of existing Shareholders would be as shown in the table below.

The table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in ASX Listing Rule 7.1A(2), on the basis of the current market price of Shares and the current number of Equity Securities on issue as at the date of this Notice.

The table also shows the voting dilution impact where the number of Shares on issue (variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 10% Placement Capacity.

Number of Shares on Issue (Variable A in ASX Listing Rule 7.1A2)	Dilution			
	Issue Price (per Share)	\$0.0015 (50% decrease in current issue price)	\$0.003 (Current issue price)	\$0.0045 (50% increase in current issue price)
768,108,972 (Current)	Shares issued - 10% voting dilution	76,810,897 Shares	76,810,897 Shares	76,810,897 Shares
	Funds raised	\$115,216	\$230,433	\$345,649
1,152,163,458 (50% increase)*	Shares issued - 10% voting dilution	115,216,346 Shares	115,216,346 Shares	115,216,346 Shares
	Funds raised	\$172,825	\$345,649	\$518,474
1,536,217,944 (100% increase)*	Shares issued - 10% voting dilution	153,621,794 Shares	153,621,794 Shares	153,621,794 Shares
	Funds raised	\$230,433	\$460,865	\$691,298

*The number of Shares on issue (variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.

The table above uses the following assumptions:

1. There are currently 768,108,972 Shares on issue as at 19 September 2018.
2. The issue price set out above is the closing price of the Shares on the ASX on 19 September 2018.
3. The Company issues the maximum possible number of Equity Securities under the 10% Placement Capacity.
4. The Company has not issued any Equity Securities in the 12 months prior to the Annual General Meeting that were not issued under an exception in ASX Listing Rule 7.2 or with approval under ASX Listing Rule 7.1.
5. The issue of Equity Securities under the 10% Placement Capacity consists only of Shares. It is assumed that no Options are exercised into Shares before the date of issue of the Equity Securities.
6. The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
7. This table does not set out any dilution pursuant to approvals under ASX Listing Rule 7.1.
8. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
9. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Capacity, based on that Shareholder's holding at the date of the Meeting.

Shareholders should note that there is a risk that:

- (i) the market price for Shares may be significantly lower on the issue date than on the date of the Annual General Meeting; and
- (ii) the Shares may be issued at a discount to the market price for those Shares on the date of issue.

(d) Purpose of Issue under 10% Placement Capacity

The Company may issue Equity Securities under the 10% Placement Capacity for the following purposes:

- (i) to raise funds, in which case the Company intends to use funds raised for:
 - (A) the acquisition of new resources, assets and investments (including expenses associated with such an acquisition); and
 - (B) continued exploration expenditure on the Company's current assets, and general working capital; or
- (ii) as non-cash consideration for the acquisition of new resource assets and investments, in which case the Company will provide a valuation of the non-cash consideration as required by listing Rule 7.1A.3.

The Company will comply with the disclosure obligations under Listing Rules 7.1A(4) and 3.10.5A upon issue of any Equity Securities.

(e) Allocation under the 10% Placement Capacity

The Company's allocation policy for the issue of Equity Securities under the 10% Placement Capacity will be dependent on the prevailing market conditions at the time of the proposed placement(s).

The recipients of the Equity Securities to be issued under the 10% Placement Capacity have not yet been determined. However, the recipients of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.

The Company will determine the recipients at the time of the issue under the 10% Placement Capacity, having regard to the following factors:

- (i) the purpose of the issue;
- (ii) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue or other offer where existing Shareholders may participate;
- (iii) the effect of the issue of the Equity Securities on the control of the Company;
- (iv) the Company's circumstances, including, but not limited to, its financial position and solvency;
- (v) prevailing market conditions; and
- (vi) advice from corporate, financial and broking advisers (if applicable).

Further, if the Company is successful in acquiring new resource assets or investments, it is likely that the recipients under the 10% Placement Capacity will be vendors of those resource assets or investments.

(f) **Previous Approval under ASX Listing Rule 7.1A**

The Company has previously obtained approval from its Shareholders on 28 November 2017 pursuant to ASX Listing Rule 7.1A.

The Company has not issued any Equity Securities pursuant to that approval.

During the 12 month period preceding the date of the Meeting, being on and from 28 November 2017, the Company issued a total of 307,239,839 Shares and 173,619,919 Options, which represents approximately 87.39% of the total diluted number of Equity Securities on issue in the Company on 28 November 2017, which was 550,359,758.

Further details of the above issues of Shares and Options (being the only issues of Equity Securities by the Company during the 12 months period preceding the date of the Meeting) are set out below:

Date	Quantity	Class	Recipients	Issue price and discount to Market Price (if applicable)	Form of consideration
23 May 2018	307,239,839	Ordinary Shares	Non-Renounceable Entitlement Offer	\$0.002	Cash which has been used as detailed in the 26 April 2018 entitlement issue prospectus (section 5.1)
23 May 2018	153,619,919	Quoted Options	Non-Renounceable Entitlement Offer	Nil – attaching options	Nil Current value = \$307,240
23 May 2018	20,000,000	Quoted Options	Underwriter of Non-Renounceable Entitlement Offer		Nil – part consideration for underwriting services Current value = \$40,000

Notes:

1. Quoted Options, exercisable at \$0.06 each, on or before 30 June 2021. The full terms and conditions are set out at Annexure A.
2. In respect of quoted Equity Securities the value is based on the closing price of the Options (\$[insert]) as the context requires on the ASX 18 September 2018. The accounting value of Options is measured using the Black & Scholes option pricing model. Measurement inputs include the Share price on the measurement date, the exercise price, the term of the Option, the impact of dilution, the expected volatility of the underlying Share (based on weighted average historic volatility adjusted for changes expected due to publicly available information), the expected dividend yield and the risk free interest rate for the term of the Option. No account is taken of any performance conditions included in the terms of the Option other than market based performance conditions (i.e. conditions linked to the price of Shares).

(g) Compliance with ASX Listing Rules 7.1A.4 and 3.10.5A

When the Company issues Equity Securities pursuant to the 10% Placement Capacity, it will give to ASX:

- (i) a list of the recipients of the Equity Securities and the number of Equity Securities issued to each (not for release to the market), in accordance with Listing Rule 7.1A.4; and
- (ii) the information required by Listing Rule 3.10.5A for release to the market.

6.4 Voting Exclusion

A voting exclusion statement is included in this Notice. As at the date of this Notice, the Company has not invited any existing Shareholder to participate in an issue of Equity Securities under the 10% Placement Capacity. Therefore, no existing Shareholders will be excluded from voting on this Resolution.

Instructions for Completing 'Appointment of Proxy' Form

1. **(Appointing a proxy):** A Shareholder entitled to attend and cast a vote at the Meeting is entitled to appoint a proxy to attend and vote on their behalf at the Meeting. If a Shareholder is entitled to cast 2 or more votes at the Meeting, the Shareholder may appoint a second proxy to attend and vote on their behalf at the Meeting. However, where both proxies attend the Meeting, voting may only be exercised on a poll. The appointment of a second proxy must be done on a separate copy of the Proxy Form. A Shareholder who appoints 2 proxies may specify the proportion or number of votes each proxy is appointed to exercise. If a Shareholder appoints 2 proxies and the appointments do not specify the proportion or number of the Shareholder's votes each proxy is appointed to exercise, each proxy may exercise one-half of the votes. Any fractions of votes resulting from the application of these principles will be disregarded. A duly appointed proxy need not be a Shareholder.
2. **(Direction to vote):** A Shareholder may direct a proxy how to vote by marking one of the boxes opposite each item of business. The direction may specify the proportion or number of votes that the proxy may exercise by writing the percentage or number of Shares next to the box marked for the relevant item of business. Where a box is not marked the proxy may vote as they choose subject to the relevant laws. Where more than one box is marked on an item the vote will be invalid on that item.
3. **(Signing instructions):**
 - **(Individual):** Where the holding is in one name, the Shareholder must sign.
 - **(Joint holding):** Where the holding is in more than one name, all of the Shareholders should sign.
 - **(Power of attorney):** If you have not already provided the power of attorney with the registry, please attach a certified photocopy of the power of attorney to this Proxy Form when you return it.
 - **(Companies):** Where the company has a sole director who is also the sole company secretary, that person must sign. Where the company (pursuant to Section 204A of the Corporations Act) does not have a company secretary, a sole director can also sign alone. Otherwise, a director jointly with either another director or a company secretary must sign. Please sign in the appropriate place to indicate the office held. In addition, if a representative of a company is appointed pursuant to Section 250D of the Corporations Act to attend the Meeting, the documentation evidencing such appointment should be produced prior to admission to the Meeting. A form of a certificate evidencing the appointment may be obtained from the Company.
4. **(Attending the Meeting):** Completion of a Proxy Form will not prevent individual Shareholders from attending the Meeting in person if they wish. Where a Shareholder completes and lodges a valid Proxy Form and attends the Meeting in person, then the proxy's authority to speak and vote for that Shareholder is suspended while the Shareholder is present at the Meeting.
5. **(Return of Proxy Form):** To vote by proxy, please complete and sign the enclosed Proxy Form and return by:
 - (a) post to Jacka Resources Limited, GPO Box 2517, Perth, Western Australia 6831; or
 - (b) facsimile to the Company on facsimile number +61 8 9463 6103; or
 - (c) email to the Company at info@jackaresources.com.au ; orso that it is received not less than 48 hours prior to commencement of the Meeting.

Proxy Forms received later than this time will be invalid.
